This matter comes before the Public Service Commission of South Carolina (“Commission”) on the application of All My Sons Moving & Storage of Greenville, Inc. (“All My Sons” or “Applicant”) seeking to expand the scope of its Class E Certificate of Public Convenience and Necessity, No. 9715-B, from its originally granted authority to operate to and from Greenville, Spartanburg, and Cherokee Counties within South Carolina to its current request to operate with statewide authority. All My Sons published notice of its intent to expand the service area under which it is approved to operate on March 15, 2007, and a hearing to determine its request was held on June 12, 2007. No parties intervened.

At the hearing, the company’s president, Frank Fatigati, testified that All My Sons desires to expand its business operations. In addition to this testimony, the Applicant presented other witnesses from different portions of the State who indicated that a need

exists for more household goods movers in South Carolina. We find that these witnesses were both credible and informative.

Therefore, upon review of the matters asserted in the instant request, the Commission is of the opinion that the relief sought by the Applicant should be approved.

IT IS THEREFORE ORDERED:

1. The relief sought in the request for modification of Certificate of Public Convenience and Necessity No. 9715-B of All My Sons Moving & Storage of Greenville, Inc. by changing the area to be served from between points and places in Greenville, Spartanburg, and Cherokee Counties, South Carolina to between points and places in South Carolina is approved.

2. This approval is for a change in the area to be served by such Certificate but does not otherwise authorize any change in the operation of the regulated services.

3. A modified Certificate shall be issued by the Office of Regulatory Staff to the Applicant as provided herein.

4. Prior to compliance with any statutory and regulatory requirements and the receipt of an amended Certificate, the services authorized by such Certificate may not be provided under the amendment approved by this order.
